FROM THE DESK OF FATHER ANTHONY

Pascha is here again. This Feast of Feasts, as the Church calls it, brings us into the joy of the Kingdom of Heaven. We rejoice in the Risen Christ, especially because of His triumph over Satan, the ruler of this world. Sin and death have been vanquished through Christ's death on the Cross and His holy Resurrection. Mankind has been given the grace and power through Christ, to rebel against sin; we have been granted eternal life, which, for those who have been faithful to the Lord's commandments on this earth, will be experienced in the Kingdom of Heaven. How can we not rejoice knowing that God has done all this for us!

Unfortunately, though, there are many who do not truly rejoice in the Light of Pascha, because they really *do not know* Christ. Many who call themselves Christians, can surprisingly act very *unchristian*. We've all encountered persons who are puffed up with pride, who are constantly judgemental, who gossip and slander with their words, who curse compulsively, who easily argue and take exception with people, whose sense of Christian morality is practically non-existent. The list could go on and on. Can these types of people truly *rejoice* in the resurrection of Christ? Can we safely assume that they truly *know* Christ? It seems doubtful at best.

You see, beloved in Christ, in order to *know* Christ we must be *imitators* of Him. The great Apostles of the Gentiles, Paul, certainly knew Christ very intimately. St. Paul tells us, "*Imitate me, just as I also imitate Christ.*" (1 Cor. 11:1). It is natural to want to imitate our parents who loved and nurtured us as children. They wanted us to be the best persons we could because of their unending love for us. For this reason and more, most of us, I'm sure, would say that we love our parents. We would probably also say that because of their example, we are the type of person we are today. If this is so with our earthly parents, should it not be even more so with regard to our heavenly Father?

No greater love has been shown by any earthly parent, than the love of God the Father toward us, the creation of His hands. "*For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life*" (Jn 3:16). God showed His love for mankind by humbling Himself, and taking the form of a human baby born in a stable of animals. Through His great love for us, He ministered to us and healed our infirmities. His greatest act of love was His voluntary death upon the Cross for our salvation. Before the Lord went to His death, He gave His final commandment to the disciples – to love one another. "*A new commandment I give to you, that you love one another; as I have loved you, that you also love one another. By this all will know that you are My disciples, if you have love for one another*" (Jn 13:34-35).

Beloved in Christ, if we truly heed this greatest of the Lord's commandments, we will become *imitators* of the Lord, and will truly *know* Him and have Him dwelling in our hearts. One of the most profound statements of the Apostle Paul is the following: "*I have been crucified with Christ; it is no longer I who live, but Christ lives in me...*" (Gal. 2:20). This is the goal of every Orthodox Christian each Holy Week – to die with Christ in order to rise with Him. Through repentance, we nail our sins to the Cross in order to be spiritually resurrected. Each Holy Week should be a stronger and more sincere effort to become one with Christ.

So, let us review our lives and make sure that we don't remain in any of the sinful categories described above, or the myriad of other sins that plague mankind. Instead, let us take up our cross and follow our Lord to eternal life in His Kingdom. This is the only way to come to know Christ intimately, and experience indescribable joy in His holy Resurrection.

In the love of the Crucified and Risen Lord,
+Fr. Anthony

A BLESSED PASCHA TO ALL

As we go to print, we are still anticipating the celebration of Holy Pascha. At this time I would like to thank in advance, all those whose collective contributions have enhanced this year's celebration of Great Week and Pascha. This includes our acolytes, chanters, choir, parish council ushers, our egg-dyeing crew, the donors of liturgical items and flowers, the Epitaphios decorators and bearers for the outdoor procession, and all other behind-the-scenes helpers, especially our custodian George Baker who gives so much of his time during this most holy season. May the Crucified and Risen Lord continually bless our parish and keep all of you well!

MEMORIAL DAY CEMETERY VISITS

Fr. Anthony will chant a *trisagion* service on **Memorial Day, Monday 5/30** at the following cemeteries:

Island Cemetery Annex – 10:00 am
Middletown Cemetery – 10:45 am

PAUL COTSORIDIS TO RECEIVE METROPOLIS MINISTRY AWARD

The Parish Council has elected Paul Cotsoridis as this year's recipient of the ministry award at the annual Metropolis banquet. Paul is being honored for his 50 years of continuous service as St. Spyridon's choir director. May we add that Paul not only directs on Sundays, but chants at every weekday liturgy, at all funerals, and other special services throughout the year. The banquet will be held on **Sunday, June 12th** at Lombardo's in Randolph, MA. We would like to have as many parishioners as possible attend in order to honor Paul. Please contact Ellen at the church office to make your reservation.

GODPARENT SUNDAY

In conjunction with the Archdiocesan theme of the "Year of the Family," **Sunday, May 15th** has been designated as "**Godparent Sunday.**" On this, the 3rd Sunday of Pascha, we invite all godparents to attend church with their godchild/children, and if properly prepared, to receive Holy Communion together. This is a special way to remember the spiritual bond of godparents and godchildren through the grace of the Holy Spirit, during this most spiritually renewing time of Holy Pascha. You may want to consider spending special time together following the liturgy and coffee hour.

POST-GENERAL ASSEMBLY REFLECTIONS

Upon reflecting on the recent general assembly, I felt that certain items should be clarified. First of all, we must be clear on the purpose of the Land Search Committee. The idea is to look into the possibility of purchasing land, before all available land on this island is bought up. This is not based on a decision to move, which, incidentally, would have to be approved by a majority of the parishioners. It would be, however, a prudent and logical action to secure land for a time when there could be a future decision to relocate. A very good suggestion came up at the assembly about purchasing income-producing property to create more revenue. What we need to avoid, is speculation on what can be done on a new piece of property. In any given parish, there are multiple ideas and personal agendas that do not necessarily reflect what is best for the parish in general. Any future building project requires the guidance of the Metropolis before anything commences.

REFLECTIONS ON PASCHA

(the following is taken from Great Week and Pascha in the Greek Orthodox Church, by Rev. Dr. Alkiviadis Calivas, Holy Cross Orthodox Press, 1992)

“The death of Christ is the greatest miracle as well as the ultimate manifestation of God’s boundless love for the whole creation. It is no mere man who died. The One who was laid in the tomb is none other than the eternal and deathless Word of God, who taking on flesh humbled Himself, obediently accepting even death, death on a cross (Phil 2.8). Pascha has nothing to do with romanticism and sentimentalities. Someone put it in these bold, vivid terms: ‘Easter is not about the return of the robin in spring or crocuses or a butterfly coming out of the cocoon or any of that pagan drivel. It’s about a Body that somehow got loose. The Gospel accounts strain to describe what happened, but don’t make any mistake about it, they’re trying to describe something unearthly: death working backwards. So I can’t talk about “the eternal rebirth of hope” or “Jesus living on in our hearts.” We’re talking about a dead Jew, crucified, who came back to life...This is God we’re talking about, a real God, people, not some projection of our ego.

It is not without significance that the icon of the Resurrection in our Church is the Descent of Christ into Hades, the place of the dead. This icon depicts a victorious Christ, reigned in glory, trampling upon death, and seizing Adam and Eve in His hands, plucking them from the abyss of hell. This icon expresses vividly the truths resulting from Christ’s defeat of death by His death and resurrection...

The resurrection of Jesus Christ is the fundamental truth and absolute fact of the Christian faith. It is the central experience and essential kerygma of the Church. It confirms the authenticity of Christ’s remarkable earthly life and vindicates the truth of His teaching. It seals all His redemptive work: His life, the model of a holy life, His compelling and unique teaching; His extraordinary works; and His awesome, life-creating death. Christ’s resurrection is the guarantee of our salvation. Together with His ascension it brings to perfection God’s union with us for all eternity”...

RETIREE LUNCHEON & PRESENTATION

The next luncheon and presentation will be on **Thursday May 19th, at 12 noon**. We wish to thank Ellen Anagnostos and Presvytera Themmi for providing the lunch at last month’s gathering. Please join us on 5/19 for an enjoyable afternoon of food, fellowship and an interesting presentation! This will be our last gathering until we resume in the fall.

TABLECLOTH POLICY FOR HALL

By now, everyone has probably noticed that the tables in the hall are no longer covered with tablecloths. We found that many people would soil them and never volunteer to take them home to wash, so the laundering fell on the same few people over and over. Now the tables are always set with disposable place mats. If a family or organization is sponsoring an event and would like to use the tablecloths, they may do so **provided they are taken home to be laundered**. The tablecloths are always folded and stacked on the metal rack in the corner of the hall. After laundering, they should be folded and replaced on the rack. *Thank you.*

CLEAN UP COMMITTEE-3RD NOTICE TO ALL ORGANIZATIONS 3rd and FINAL Notice to All Church Organizations!

Register your items with the Clean-up Committee or risk losing them!

As indicated in the February and April newsletters, the Parish Council has formed a sub-committee for the purpose of cleaning up the church in order to reduce the clutter that exists in many areas, especially the downstairs closets and boiler room area. The committee has gathered an accurate inventory of items that belong to church organizations and their locations within the church building. We thank all the organizations who responded with an inventory of their items or a report of their items location.

Let it be known that NO organization has claimed any items in the downstairs closets or in the boiler room of the church, and as such, these items will be reviewed and decided upon by the Church Clean-up Committee. It is the Committee's belief that some of these unclaimed items in these closets belong to past Sunday School programs and some unclaimed items in the boiler room may be remnants of Philoptochos events from days gone by.

If any organization would like to amend their inventory list, please contact the church secretary, Ellen Anagnostos (ganln@efortress.com), as soon as possible. The deadline has once again been extended, this time to June 1, 2005, after which the committee will commence their Spring cleaning. All unclaimed items will be reviewed and decided upon by the committee. The committee has made every effort to provide all organizations with ample written and verbal notice by extending the deadline multiple times; please help do your part in cleaning up our church by reviewing and reducing your unneeded items.

The committee will commence its work after the new June 1st deadline.

Thank you.

Church Clean-up Committee

PHILOPTOCHOS NEWS

There will be a Philoptochos board meeting on May 11th . There will be no general meeting this month. Annual dues of \$20 should be mailed to Mrs. Ionna Bairos-Moreau at 96 Sherwood Terrace, Portsmouth, RI 02871. We always encourage new members to join.

THOUGHTS ON STEWARDSHIP

A sincere “thank you” to all who have filled out and returned their Stewardship Pledge cards! So far, the pledges towards the work of St. Spyridon’s total nearly \$35,000. This is a great start, but we still have a long way to go to reach our Stewardship goal of \$65,000. Remember, it is NOT necessary to include your total pledge with your pledge card. So take the time to send in your pledge card today!

STEWARDSHIP: A PLACE OF LOVE

Time before time, when the world was young, two brothers shared a field and a mill, each night dividing evenly the grain they had ground together during the day. One brother lived alone; the other had a wife and a large family. Now the single brother thought to himself one day, "It isn't really fair that we divide the grain evenly. I have only myself to care for, but my brother has children to feed." So each night he secretly took some of his grain to his brother's granary to see that he was never without. But the married brother said to himself one day, "It isn't really fair that we divide the grain evenly, because I have children to provide for me in my old age, but my brother has no one. What will he do when he is old?" So every night he secretly took some of his grain to his brother's granary. As a result, both of them always found their supply of grain mysteriously replenished each morning.

Then one night they met each other halfway between their two houses, suddenly realized what had been happening, and embraced each other in love. The legend is that God witnessed their meeting and proclaimed, "This is a holy place, a place of love, and here it is that my temple shall be built." And so it was. (An ancient Jewish story)

LITTLE LAMBS GROUP TOY DRIVE

The Little Lambs Group will be sponsoring a toy drive to benefit the Child and Family Services of Newport (<http://www.cfsnewport.org>). In this “Year of the Family”, the group wanted to try to bring some fun to some of those children and families less fortunate than our own. Any new or gently used toy, i.e. not broken or missing any pieces, will gladly be accepted. They do not accept stuffed toys (new or used) for sanitary reasons. The center sponsors programs for children of all ages from 6 months to 18 years, so any toy would be appropriate. They did also express a specific need for the older children, aged 11—18 years, who are often forgotten so any items for that age group such as board games, puzzles or art supplies would be especially appreciated. A box can be found on the information table in the church hall **throughout the month of May**. Thank you for your help!

The next Little Lambs Group meeting will be on Wednesday, the 11th of May 2005, at 10:30 a.m. We invite anyone who is interested to come and join us for fellowship and fun! RSVP to Mrs. Vivian Karanikola tel: 401-849-0997, or e-mail: us.greek@verizon.net

BOOKSTORE NEWS

The book " Holy Week - Easter (A new English translation) is available from the Bookstore. This is the book we follow during the services.

Book Presentation: Peter E. Gillquist. Becoming Orthodox: A Journey to the Ancient Christian Faith. Revised and Updated.

After a long and difficult journey 2000 weary Evangelical Protestants finally found their way home. This is the story of a handful of courageous men and their congregations who risked stable occupations, security, and the approval of life long friends to the obedience to God's call. It is also the story of every believer who is searching for the Church. Where Christ is Lord. Where holiness, human responsibility, and the Sovereignty of God are preached. Where fellowship is more than a covered dish supper in the church basement. And where fads and fashion take back seat to apostolic worship and doctrine. This is the book for Christians, looking for ways to bring new life to their own Churches. It's also a book for those completely dissatisfied - those on their own search. And it's a book for Orthodox Christians, looking for renewal. (From the Publisher)

Book Presentation: Peter Jones. Learn Ancient Greek.

With enthusiasm and wry wit, the author takes you step by step through the rudiments of the Western World's first great language - the medium of Plato and the New Testament. Always concerned with effectiveness of the lessons, the author introduces the reader to the alphabet, explains each grammatical point in layman's terms, gives plenty of study hints, provides answers for the exercises, and presents a "to do" list at the end of most chapters. (From the publisher)

Note: The Bookstore operates on self service basis. All items have their price on them. Leave your money or check on the basket. For inquires, see Basile.
